

2025 Mars Innovation Challenge Certificate

José David Arias Suárez

In recognition of your outstanding contribution to the 2025 Mars Innovation Challenge, Explore Mars, Inc., is proud to present you with this certificate of achievement. The red planet awaits - a new home, a new horizon, a new destiny. Your innovative dreams of today will become the reality of tomorrow. Thank you for accepting the mission of being the architects of the future with your extraordinary ideas for Mars...and Earth.
